\_\_\_\_\_ **RESTRICTED PAYMENT OPTION** — I authorize the Florida Prepaid College Plan to transfer my prepaid plan(s) to the educational institution listed below. The Prepaid Plan will not be responsible for any balance due. I understand:

- If invoiced for the tuition and fees by dollar amount only, the Florida Prepaid College Plan will pay a dollar amount up to the average rate payable for 15 credit hours at Florida’s public colleges or universities under the beneficiary’s plan.

**OR**

- If invoiced for the tuition and fees by credit hour and dollar amount, the Florida Prepaid College Plan will pay the total number of credit hours invoiced at the average rate payable for a credit hour at Florida’s public colleges or universities under the beneficiary’s plan.

\_\_\_\_\_ **UNRESTRICTED PAYMENT OPTION**— I authorize the Florida Prepaid College Plan to transfer my prepaid plan to the educational institution listed below. The Prepaid Plan will not be responsible for any balance due. I understand:

- The Florida Prepaid College Plan will pay the total dollar amount invoiced up to the total plan value. By selecting this option, I may deplete my prepaid plan at a much faster rate because out-of-state colleges and private Florida colleges are usually more expensive.

If you have a dormitory plan, the Florida Prepaid College Plan will pay one semester of dormitory per term at the average dormitory rate payable to Florida’s public colleges or universities under your prepaid plan or the actual amount invoiced by the school, whichever is less.

The college must submit an invoice to the Florida Prepaid College Plan each semester. The Prepaid Plan will send payment instructions to the college you have selected and will pay the college directly until your prepaid plan is depleted.
