Return of Title IV Funds (R2T4) Policy

The requirements for federal financial aid when a student withdraw are separate from the Institutional Refund Policy, as such a student may still owe a balance to the Institution for unpaid institutional charges. Federal regulations specify how the Institution must determine the amount of Federal financial aid the student is entitled to have earned when a student withdraws from the Institution.

The percentage amount of Federal financial aid a student has earned during a semester/pay period is calculated based on the total number of calendar days completed in a semester/payment period divided by the total number of calendar days in the payment period. For students who withdraw during the semester/payment period the College will perform the return calculation on a payment period basis.

The amount of assistance earned is determined on a pro-rata basis, up through the 60% point in each semester/payment period. For example, if you completed 30% of your semester/payment period, you earn 30% of the FSA assistance you were originally scheduled to receive. After the 60% point of the semester/payment period, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period. Any time a student begins attendance in at least one course but does not begin attendance in all the courses he or she was scheduled to attend, regardless of whether the student is a withdrawal or graduate, the institution must review to see if it is necessary to recalculate the student's eligibility for funding received based on a revised enrollment status and the cost of education.

The Order of the Return of Title IV Funds

The return of Title IV funds under the Federal Refund Policy follows a specific order, as follows:

- Unsubsidized Direct Loan, Subsidized Direct Loan, Direct PLUS Loan, Pell Grant, FSEOG, Other Funding.

Institutional Refund Policy

The refund schedule is as follows:

1. All monies paid will be refunded if the applicant is not accepted by the College, or if the student cancels within three (3) business days after signing the Enrollment Agreement and making payment. The applicant that has not visited the College facility prior to signing the Enrollment Agreement will have the opportunity to withdraw without penalty within (three days) following either the regularly scheduled orientation procedures or following a tour of the College facilities and inspection of equipment. The nonrefundable application fee is fully refundable as it relates to buyers right to cancel only (not to exceed \$150).
2. Returned check fees are non-fundable.
3. Withdrawal after the third business day, but before the first day of class, will result in a refund of all monies paid exception for the non-refundable application fee (not to exceed \$150).
4. Any textbooks, uniforms, and equipment issued must be returned to the College unused to receive full refund for those items.
5. Refunds will be made within 30 calendar days of date of the cancelation with proper submission of a Withdrawal/Cancellation Form by the student. Written notification may be submitted by email at tandrews@hci.edu, faxed to (561) 471-4010, or in person to the Business Office Manager
6. Refunds will be made within 30 calendar days of the first day of class if no written notification is provided by the student and the student has withdrawn according to the following Withdrawal Procedures.
